

AHA HEALTH CARE TRANSFORMATION FELLOWSHIP

CALL FOR FELLOWS 2018-2019

LEAD IMPROVEMENT IN HEALTH CARE VALUE

Learn Innovative Approaches to Transform Health & Health Care,
Discover Value, and Manage Uncertainty

Health care is changing at a rapid pace, moving from a system that rewards volume to one that promotes and rewards value. America's hospitals and health systems are transforming to meet the changing needs of our patients and our communities. It is vital that future health care leaders have the knowledge and skills to be adaptive while navigating these changes.

The 2018-2019 AHA Health Care Transformation Fellowship is strategically aligning with AHA's *The Value Initiative* to provide training in leadership and innovation to tackle the key issues and disruptors affecting health care **affordability** and **cost**. Fellows will learn the skills necessary to become leaders in value and practice these skills using real life challenges in their hospital or health system.

Fellows gain access to case studies, mentorship, and networking opportunities with their peers and experts to transform their organizations in the following value impact areas: Redesigning care delivery; Improving quality and outcomes; Managing risk and developing new payment models; and Implementing operational solutions.

BENEFITS

- **MANAGE CHANGE IN THE FACE OF UNCERTAINTY**

Fellows gain the skills to lead cultural, behavioral and system-based changes within their organizations.

- **IMPROVE VALUE IN HEALTH CARE**

Fellows gain essential knowledge about value-based care and will have the opportunity to hear best practices, including a site visit, from organizations that are excelling in improving value.

- **ESTABLISH LIFELONG NETWORKING CONNECTIONS**

Fellows have the opportunity to network and make professional connections with their fellowship class, mentors, past fellows and expert faculty.
