

AHA HEALTH CARE TRANSFORMATION FELLOWSHIP

CALL FOR MENTORS 2018-2019

The 2018-2019 AHA Health Care Transformation Fellowship is strategically aligning with AHA's **The Value Initiative** to provide training in leadership and innovation to tackle the key issues and disruptors affecting health care **affordability** and **cost**. Fellows will learn the skills necessary to become leaders in value and practice these skills using real life challenges in their hospital or health system.

Fellows gain access to case studies, mentorship support, and networking opportunities with their peers and experts to help them transform their organizations in the following value impact areas: Redesigning care delivery; Improving quality and outcomes; Managing risk and developing new payment models; and Implementing operational solutions.

VOLUNTEER TO BE A MENTOR!
LEND YOUR EXPERTISE TO HELP SHAPE THE FUTURE OF HEALTH CARE.

ARE YOU?

- A senior level leader in health care (CEO, COO, CMO, etc.) at an AHA member hospital or health system
- Passionate about coaching, guiding and supporting emerging leaders
- Available to serve as a mentor for the length of the nine month Fellowship (October 2018 – July 2019)

If so, we'd love to hear from you!

***Mentors will receive a discount to the 2019 AHA Annual Meeting and 2019 AHA Leadership Summit**

MENTORS WILL:

- Attend mentor overview call/training session with the AHA (1 hour)
- Attend Fellowship webinars as available
- Provide coaching guidance for up to three Fellows (as needed)
- Lead up to four, 1 hour group coaching sessions
- Host a site visit at your organization for your assigned Fellows (optional, Fellow responsible for travel expense)
- Provide quarterly, written status updates to the AHA on Fellow progress
