

Yackel Bio

Tom Yackel, MD, MPH, MS, CPE is chief clinical integration officer for OHSU Partners and associate dean for clinical practice at the Oregon Health & Science University (OHSU) in Portland, OR. Dr. Yackel leads the clinical and business transformation to value based care with OHSU's faculty and strategic partners.

Dr. Yackel received his doctor of medicine and master of public health degrees from the George Washington University (GW) in 1996. He completed a primary care internal medicine residency and served as chief medical resident at GW. In 2000, he became a National Library of Medicine informatics fellow at OHSU where he earned a master of science degree. He is board certified in internal medicine and clinical informatics and is associate program director for OHSU's clinical informatics fellowship. Dr. Yackel maintains his clinical practice in the division of general internal medicine and geriatrics at OHSU.
