Mark Lewinsohn, Ph.D.

Mark Lewinsohn joined LifeWorks NW in 1993, starting as a family therapist in our Adolescent Day Treatment Program, then moving progressively through management positions until his current position as Vice President of Clinical Services. Prior to LifeWorks NW, Dr. Lewinsohn served at The Center, in Pleasanton, Calif.; Children's Hospital, Oakland, Calif.; and the Morrison Center, Portland, Ore. He earned an M.A. and a Ph.D. in Clinical Psychology from the California School of Professional Psychology, following his undergrad B.A. in Psychology at Brown University. Mark serves on the board of the Clackamas County National Association for Mental Illness (NAMI), the UNITY Psychiatric Emergency Services advisory council and the Multnomah County System of Care executive committee.
