

# Ready to care for you.

## *Safely.*

If you've recently delayed elective surgery, outpatient procedures or other care needs, we're ready to safely welcome you back, protecting both you and our health care team.

Our services may look different, but our commitment to provide high-quality, compassionate, personalized health care hasn't changed.

***Learn more about our safety measures at [brookingshealth.org/WelcomeBack](https://brookingshealth.org/WelcomeBack).***
