FINISHED INTELLIGENCE REPORTS

Healthcare Innovation Capital: Insider Threats & Cyber Espionage

 TLP:WHITE   Mar 25, 2021

Health-ISAC has published our "Healthcare Innovation Capital: Insider Threats & Cyber Espionage" report which focuses on threats to Research and Development (R&D) posed by foreign adversaries.

The attached research paper also includes a summary handout to provide insight on insider threats to innovation capital and provide effective cyber espionage countermeasures.

Key topics from the report include:
- Targets of Foreign Adversaries
- Targeting Tactics

- Assessing Risk of Foreign Universities
- Intellectual Property Theft Incidents

Please see the attached research paper and summary handout. You may also access the content by navigating to the Doc Library in our Cyware Portal under Archives > Research Papers > Innovation Capital.pdf
